

Post-Session Survey

Thank you for participating in our focus group session. A few additional responses from you via this survey will help us quantify and analyze important elements of the WSSI.

* Indicates required question

1. 1. Please rate your agreement with the following statements about the forum. *

Mark only one oval per row.

	Strongly Agree	Agree	Disagree	Strongly Disagree
The information was clearly presented.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I felt comfortable voicing my opinion.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I know more about the National Weather Service (NWS) resources.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I feel I could use NWS resources to judge my risk in an extreme weather event.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

- 2. 2. What is the biggest barrier you face in responding to and/or preparing for winter storm events? *

- 3. 3. Our goal today was to gather feedback about a potential Winter Storm Severity Index for Alaska. Beyond the questions asked today, what else would be important for us to know about how you gather information about winter weather risks and your intended actions? *

4. 4. After attending today’s session, how likely are you to: *

Mark only one oval per row.

	Very likely	Somewhat likely	Somewhat unlikely	Unlikely
Create or revise plans to deal with winter weather events.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Share what I learned today with others.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Seek NWS information about severe winter weather risks.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
When available, use the Winter Storm Severity index in my decision-making	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
When available, recommend the Winter Storm Severity Index to other partners to use in winter weather	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

**decision-
making**

5. 5. Which do you prefer in trying to understand your level of risk related to winter weather? *

Mark only one oval.

- Text-based products
- Graphic/visual products
- Combined text and graphics

6. 6. Which do you prefer in trying to understand your level of risk related to winter weather? *

Mark only one oval.

- Interactive interface where user defines parameters
- Static finished product sent to you from the NWS
- A combination of the above approaches
- Other: _____

7. Please rate the weather products discussed today based on their usefulness to you in assessing your winter weather situation. *

Mark only one oval per row.

	Extremely useful	Very useful	Slightly useful	Not at all useful
Overall Winter Storm Impacts	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Special Weather Statement	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Winter Storm Warning	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Storm Total Precipitation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Storm Total Ice	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Storm Total Snow	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

8. 8. Rate the usefulness of the proposed Winter Storm Severity Index product elements *
 - what is useful in understanding the winter storm situation?

Mark only one oval per row.

	Extremely useful	Very useful	Slightly useful	Not at all useful
Title "Overall Winter Storm Impacts"	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Potential Winter Storm Impacts Legend	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Legend Details (expanded legend)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Forecast Input

Forecast input expanded (legend)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Color scheme	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Information pop-ups with details about components	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Forecaster's note for what to watch/warnings link)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Winter Storm components shown individually (e.g. snow, ice, etc)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ability to download GIS data (website)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Static image archive (website)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Interactivity (website)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Map overlays (website)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

9. 9. Are any of the Winter Storm Severity Impact product elements listed above not clear or confusing? Please explain if so.

Four horizontal lines for text input.

10. 10. Please review the proposed expanded legend with category details (minor to extreme) below. Are there any changes you would make to these definitions or categories, or additional information you would like included? Please explain. If none, skip to the next question.

Potential Winter Storm Impacts			Winter Storm Severity Index (WSSI) ⓘ	
 No Impacts Impacts not expected	 Minor Impacts Use caution when driving; expect minor inconvenience to daily life.	 Moderate Impacts Expect hazardous travel conditions, possible closures and disruption to daily life.	 Major Impacts Widespread, dangerous travel conditions, closures, possible power outages and property damage likely.	 Extreme Impacts Extensive and widespread disruption to daily life and travel, power outages, and destruction of property, life-saving actions may be needed.

Four horizontal lines for text input.

11. 11. What are the most important impacts that should be included in a WSSI for Alaska? *

Four horizontal lines for text input.

12. 12. Do you think a product like the WSSI would be useful in your decision-making? *

Mark only one oval.

- Yes
- No
- Maybe
- Other: _____

13. 12a. How would the WSSI be useful or not useful in your decision-making?

14. 13. Was anything in the session confusing? *

Mark only one oval.

- Yes
- No

15. 13a. If yes, please explain:

16. 14. What improvements could be made in the format or content of the focus group session? *

Thank you so much for your time and input into this focus group and survey. Your feedback is greatly appreciated.
